2025瑞芳青雲殿「神農大帝國際學術研討會」
徵稿啟事

緣起

臺灣神農信仰歷史悠久，主祀神農大帝（或稱炎帝神農氏、五穀王、藥王、先農）廟宇近300所，遍布全臺，為臺灣極具有代表性的傳統民間信仰之一。從文化發展的意義，神農信仰不僅與先民渡海來臺的過程密切相關，其信仰本質即兼具神話傳說、民族起源、文明觀念、祭祀儀式及歷史英雄等學術面向，尤其能表現農、醫文化開展，乃至於道德倫理的教育價值。其影響區域，擴及於東亞、南亞等地，亦為亞洲文化的重要單元。

有鑑於此，由瑞芳青雲殿主辦、國立政治大學華人宗教研究中心、國立臺灣師範大學海外華人研究中心、國立臺灣師範大學國文學系、淡江大學歷史學系等學術單位共同協辦，以臺灣神農信仰為研究主題，發起「神農大帝國際研討會」。除邀請國內外相關議題主要研究人員之外，並以跨區域、跨領域的恢弘視野，廣約各國學者參與並發表論文，同時也通過公開徵稿、專業審查的方式引納學術師友同好，期能共襄盛舉。

2025 Ruifang Qingyun Temple
"Emperor Shennong International Academic Symposium"
Call for Papers

Origin and Background

Taiwan has a long history of worshipping Emperor Shennong, also known as the Emperor Yan, the Five Grains King, the Medicine King, and the First Farmer. There are nearly 300 temples dedicated to Emperor Shennong throughout Taiwan, making it one of the most widespread traditional folk religious practices in Taiwan. From the perspective of cultural development, practices involving the Emperor Shennong are not only closely related to the process of early Han settlers crossing the sea to Taiwan, but their essence also encompasses aspects of mythology, ethnic origins, concepts of civilization, ritual practices, and historical heroes. They particularly reflect the development of agricultural and medical cultures and hold educational value in moral values. The influence of this set

of practices extends to regions such as East Asia and South Asia, making it an important component of Asian culture.

In light of this, Ruifang Qingyun Temple, in collaboration with the Center for the Study of Chinese Religions at National Chengchi University, the Center for Overseas Chinese Studies at National Taiwan Normal University, the Department of Chinese at National Taiwan Normal University, and the Department of History at Tamkang University, is organizing the "Emperor Shennong International Academic Symposium" with a focus on the religious culture of Emperor Shennong in Taiwan. In addition to inviting key speakers on closely related topics from home and abroad, the symposium aims to gather scholars from various countries through a broad, cross-regional, and interdisciplinary vision to participate and present papers. The symposium will also welcome academic peers and enthusiasts through an open call for papers and professional review. As befits the topic, it is planned to make this a grand and successful event.

Call for Papers: Topics

The symposium will include the following topics:

1.Myths and legends about Emperor Yan - Shennong and their influence and dissemination.
