Spirit Week is coming up March 13-17

GHS Spirit Week is just around the corner. The Student Council and Class Officers have designed a fun week for our school. The final plan will be sent out next week as we are putting the final touches on the activities.

Some Highlights to Include:

- Daily theme and activity during RST/Advisory.
- Class Hall Decorating
- Schoolwide Assembly and Competitions
- After School activities

IB Art Show

IB Art Senior Exhibition will be up until March 22 in the GCA lobby. Enjoy!

The students in IB Art have put together an art exhibition to present a self curated selection of resolved artworks from their two years in this course. The selected pieces show their technical accomplishments and demonstrate their conceptual growth and understanding of their intentions. Each student has researched, planned, and created a cohesive body of work to be proud of. We are very proud of their accomplishments.

GHS Student Graphic Novel

Sophomore Aila R is in the process of writing her first graphic novel (after creating an entire world for it to be based in). Part of this independent study/SILO course has found Aila visiting with Islandport Press in Yarmouth to hear all about the publishing world. Additionally, she met with Teresa Lagrange, local children's book author and illustrator (and professional graphic designer), who took time out of her busy schedule for a series of meetings to help Aila clarify their vision for their graphic novel. Both Islandport and Teresa showed support and encouragement, and Aila is now working diligently on creating her novel.

We engage, empower, and inspire one another to achieve our personal and collective best.
