

Starting this year, *Infusion* will begin publishing journalistic coverage of events in Korea. The goal of this segment is to give readers insight into the many unique opportunities that ETAs have to experience modern Korean culture. Please include at least 7-10 photos of the event in question.

Since information on major events is already widely available online, this will be a narrative-driven segment. Rather than simply describing an event, relate the event to your experience as an ETA. Who did you go with? What was the crowd like? How did the event affect you? What aspects of it stuck with you the most?

Event reviews should be between 400-600 words and will adhere to the following format:

Event name

City

Date(s)

Cost (if applicable)

Your name
