7	Treasurer's Report Monica Rideout	Included in package
8	Financial Requests	
9	Outdoor Classroom & Gazebo & Lighting <i>Example only:</i>	Diane and Daphne met with Andy Selig on 23 March to share discussions from 8 March.  Estimates:  To refurbish or to move the gazebo up to \$2000 depending on a more in-depth analysis (crane vs. flatbed vs. forklift). If moved, what is the stability of the gazebo (was built in place). Removal of the

		<p>gazebo would be free and handled by the Property Services Department of the SSRCE.</p> <p>To order two of the prefabricated structures would see construction/installation hopefully in the summer.</p> <p>Once location of the outdoor classrooms is confirmed they will finalize lighting needs and install.</p> <p>We were told we are next on the list.</p>
10	<p>Gaga Pit &amp; Play Structures</p> 	<p>Uplift Grant – Gaga Pit – located and priced – we have missed the funding deadline. Hoping it will be delivered by Fall.</p> <p>Play Structure: too expensive with the leftover funding; students asked for more seating as their #3 choice; 3 or 4 buddy benches delivered would be possible in the gazebo space</p>
11	Next Meeting	Tuesday 17 May 2022
