Hello Niagara Wheatfield Class of 2026 Seniors and Parents,

The Herrmann Studio will be providing your school with a free sitting this year for your Senior portrait. Listed below are the dates we will be offering these free sessions. Please choose one that will best meet your schedule and needs. We highly recommend scheduling your session during the summer as this will provide you the opportunity for you to be prepared for your best possible image. Students who cannot attend our photo sessions must make their own arrangements to have their senior formal taken and submitted to the yearbook. This can be avoided by reading all of the following information and coming prepared for your scheduled session.

The following dates are available for you to choose from:

JULY 28 MON & JULY 29 TUES starting at 9:00am

AUG 13 WED & AUG 14 THURS starting at 9:00am

Check the sign up for the offered time slots. You only need to choose one time for both portrait types.

We look forward to seeing you this summer!

We ask that you read and adhere to the following guidelines for your portrait session to make it a success for all of us.

Clothing requirements: The tux/ drape requirements will be provided by the studio. Attention to hygiene is greatly appreciated, as shirts and drapes are shared among other students.

Option 1: White tuxedo shirt (or comparable dress shirt) Tuxedo jacket and bow tie.

****Please come dressed in a white or light colored undershirt with no bold print, to wear under the tux shirt. **Students without an undershirt to wear will be turned away.**** If you are wearing your own dress shirt, be sure that the shirt fits properly to avoid a gaping neckline or one that we are unable to button. We carry shirt sizes ranging from a size 14"-18" neck with jackets to complement those sizes.

Option 2: The black formal drape:

**** This will require you to be dressed in a strapless type shirt (tube top/ tank top) as the top of the shoulders are visible in the photograph. We will also provide strings of pearls if needed. **Students in only a strapless bra, racer back bra, or attire unable to accommodate a clean shoulder look will be turned away.****

Other tips recommended for your best portrait include:

Males: a cleanly shaven face, haircuts a few days previous to appointment, comb or brush.

Females: Avoid glossy lip color, shiny or heavily applied foundation, multiple necklaces. Bring a comb or brush if needed.

If trying to tame hair flyaways, try spraying hairspray onto your hands, then smoothing your hair.

There will be a mirror available. Please come prepared as this will be your one and only free session.
