

CHILDREN of MANA™

By Faucheusestar

Several years ago, on the island of Illusia, an event known as the "great disaster" took place at the base of the Mana Tree and many lives were lost. Today, while plants seem to be mutating and minds are agitated, the event risks repeating itself once again. Somewhere, a hero climbs the mana tower to save his friend, maybe you would help him or maybe you have another drawing

Take **1000 Choice Points** to fund your adventures.

Starting Location

Roll a **1d6** to determine where you start, otherwise pay 50 CP to choose your Starting Location.

1• Tree of Mana

You open your eyes at the foot of the Mana Tree on the island of Illusia

2• Star Lake

In front of you is a lake and many colorful bushes, the place seems to have an underwater atmosphere you are in the dungeon located on the continent of Topple

3• Jadd

The sand surrounds you in the distance you observe a city in the desert and the closer you get the more vegetation appears it seems that you are out of the woods. Looking in your pocket there is money

4• Lorimar's forest

Around you extend a snowy forest you do not know exactly where you are except that it is located on the continent of Lorimar but in the distance you see a large castle perhaps a track

5• Haunted House

You are in an old house in Mana Village. The light filtering through allows you to see many books. Outside, we hear people running away shouting that the house we are in is haunted! In reality it's "haunted" by the old papers and you. You could open the door but scaring them is funny

6• Free Pick.

You are free to choose where you choose from the available options.

Age and Gender

Freely choose your own age or gender.

Origins

Drop-In [Free]

You are dropped in this new universe with no background, memories, or documentation.

Villager

You are an inhabitant of this world, you experienced the great catastrophe but survived and to your misfortune it seems that you will have to survive the next one.

Mana Lord

You are a creation of the goddess back when she was still inexperienced and wanted to spread mana throughout the world. Strangely you got the abilities of others of her creations, which ones? It's up to you thanks to these strange CP.

Race

Inhabitant [Free]

You may be a human, a dwarf, a Niccolo (humanoid rabbit), a mermaid or something else

Monster [+400/200 CP]

You are one of the many creatures populating this world, the cost varies if you want to be a Rabite, it will come with a bonus of 400 CP. Stronger monsters will cost you 200 CP but you will get their full capacity, after this jump they will become an alternate form.

Perks

Origins get their 100cp perks for free and the rest are discounted to 50%.

General [Undiscounted]

These three perks are free in this world but you can pay to keep them

Skin [100 CP]

You have the uncanny ability to use every outfit, armor, weapon or similar as a skin. Not only do you retain the defense of the armor you're wearing even if it now looks like another outfit, but bulky armor can be as light as simple cloth and a wooden blade could well hide the Sword of Mana itself.

Use the button A [200 CP]

As a hero says, exploring the tower to save his friend, just press the A button. What does that mean, you're not sure, but when you think about doing it, you go into autopilot and do it. Casting a spell when it's your first time and you haven't had any training, think "Button A" I mean B but you understand...

Ranking: Let's see how good you are! [400 CP]

At the end of all dungeons or equivalent you will receive a score for your performance. Depending on your ranking, you will receive certain rewards, and the better your ranking, the better the prizes will be. It could be a weapon, a gem, an item or something else.

Drop in

Loot [100 CP | Free for Drop in]

Living things or not, really pick up anything sometimes, you'll see a rabbit you just killed drop a bag full of money, or maybe a sword, a gem or even some candy. This compulsive hoarding frenzy seems to affect everyone, given everything you're going to see dropping now.

Swing [100 CP | Free for Drop in]

The emblematic technique of this universe, the ancestral art of projecting anything and everything like a pinball ball, the calculated trajectories and rebounds are a formality for you. You can impose this physics on other worlds

Unstoppable Hook [200 CP | Discounted for Drop in]

You know how to use chain weapons, grab enemies to bring them back to you, steal them or propel yourself towards a hard surface in which your chain is planted, it's simple for you.

Weapon Expertise [200 CP | Discounted for Drop in]

You have learned to master your weapon allowing you to slash to unleash a shockwave as well as to return projectiles with your weapon but also to generate a force field around you, immobilizing you but protecting you from attacks.

Fury reels [400 CP | Discounted for Drop in]

When you hit a gauge fills allowing you once full to activate the fury: your weapon speed increase, in addition this generates a bonus effect based on a slot machine which can be Aegis making you invincible for a short time (Three armor), Jackpot kills enemies drops a lot of money (Three Lucre), heals you completely (three candy), increases the damage you do (three swords), three skulls you lose the fury gauge fills with no effect.

Lullaby [400 CP | Discounted for Drop in]

Thanks to great mastery of a musical instrument, sing and bows, your melody can put to sleep or stun those who hear it, moreover you can use the bow as a stringed musical instrument and nock several arrows at once and your arrows are piercing through your target

Blessed by spirits [600 CP | Discounted for Drop in]

You are a rare genius when it comes to spiritual magic. Not only are your mana reserves immense and are replenished by hitting targets, but spirits operate far beyond their capabilities. In this world with this perk, all spells have reached level 4, which is normally impossible, but that's not all, all spirit-related magic costs half as much mana.

Blessed by gems [600 CP | Discounted for Drop in]

Over time, you have acquired a great affinity for gems allowing you not only to double the effects of precious stones, be it spells, objects or creatures that can be linked to this type. But also after using so many impure gems, you have learned to tarnish gems to amplify their effect at the cost of a debuff. In addition, the impure gems are now three times more effective instead two time for normal gems, but beware of the debuff that is always associated with them, now multiplied by two

Villager

Herbalist [100 CP | Free for Villager]

You have a great knowledge of plants and know how to make medicines with them

Scenarios

Scenario One [Save the world]

The catastrophe having happened ten years ago threatens to recommence pillars of light seems to be coming from all four corners of the world you must stop the mana surge and save the world

Reward

You have succeeded, the mana surge ends and everything is back to normal and the island disappears into the distance while you are on the boat... The island of Illusia has not really disappeared for everyone, it follows you in your adventures and that's not all, you have saved a world, its present as well as its future the will of everything you have saved formed a powerful gem:

World Savior: gem 1x1 all your abilities increase when it comes to fighting to save the world

If you bought **Mana Seed** and/or **Silver Mermaid** you also gain 600 CP

Scenario Two [Mana surge]

The goddess gave the order to you and your two colleagues the mana lord and the mana scion to ravage the world by filling it with mana of course she does not understand the consequences but you have decided to go through with everything even despite his opposition

Reward

You stand there safely, contemplating your actions: the world is destroyed, ravaged by the immense storm of mana. You are probably telling yourself that you have only done your job and that you would be right like the Lord Mana and the Scion of Mana, you have succeeded in your task. His last ones follow you if you wish with 1000 CP instead of the 300 he would normally have but that's not all this new planet is yours now full of so much Mana that it will now be incredibly prosperous over time

Drawbacks

Self-Insert [+0]

So you want to be one of the Named characters huh, well if you take the appropriate background, race and skills as closely as possible then you are free to go in as any character you would like.

Extended Stay [+100 CP]

Do you like to have adventures here? This is a good thing for each purchase your stay here is extended by 10 years.

Great, more candy... [+100 CP]

You hate sweets, candy and chocolate are the worst of all, they taste like the food you hate the most, the problem is that all the care items in this jump and that you already have have that taste now. The advantage is that after this jump, you can give a delicious sweet taste to all care items for free.

Pinball Projectile [+200 CP]

Jumper you're not human ... or a tentacled horror I'm not judging but a pinball, or so it seems the slightest jostle and you're thrown in all directions!

New gardener [+200 CP]

Fortunately we thought of you and put lots of pretty flowers...The dungeons are filled with more tentacle plants, spikes traps and other delicious plants with hallucinogenic, soporific, toxic, paralyzing pollen... I understand you there aren't enough traps, here are plenty of mimic chests ♪

Weakens [+400 CP]

you have trouble lifting your weapon if it's heavy and your physical condition makes you easier to be negatively affected to put it simply it's like you're a fragile little child or maybe it's your magic that's affected instead making you very weak to magical attacks, your spells are reduced to a very weak state and your mana reserves are practically non-existent. What suits you least is now your state

Elemental spirit [+400 CP]

You are a magical girl anime mascot, you take the form of one of the elemental spirits and you can only use your powers if someone gives you mana, the greater the power has more mana it will cost

Lockdown [+600]

A Jumper? You obviously had a funny dream because you obviously have no power coming from another jump

A Little Mistake [+600 CP]

Eh... Jumper you will laugh but it looks like I made a mistake and reversed all your movements. Go to the right you will go to the left, don't worry it will only last until tomorrow... Ah you slept all day yesterday now you don't see anything. Every day until the end of the Jump, you will experience a very annoying but non-lethal effect.

Decisions

You have three choices ...

Go to next Jump

Continue onto the NEXT GREAT ADVENTUUUUURE!!!!!!

Stay

Stay and enjoy your current life.

Go back

Tired of your travels and want to rest back home, well then this is for you, grab this ticket back to your starting point and go see old friends.

Note:

- Two of the objects are in two different origins. It is the **Sword of Mana** which in Children of Mana's script opposes Mana and joins us but is handled by the Hero and the Mana Lord.

Lorimar Orbs who were created by residents of this world but and also what the Mana Lord is looking for by coming to Lorimar to release all the power in orbs for destroy the world
