May 5, 2023,

Dear Parent/Guardian:

I am writing to inform you that the district has designated **May 15 to May 31, 2023,** for the acceptance of the Re-establishment of Residency paperwork. The Milton Public Schools Residency Policy states that students who are enrolled in the Milton Public Schools and in Out of District placements shall be required to re-establish residency prior to entering grade six(6) and/or grade nine(9) and during other times as determined by the Superintendent or his/her designee .For students who attend Blue Hill Regional Technical School or Norfolk Agricultural School, every year regardless of grade level.

.

In an effort to both comply with this MPS School Committee Policy and to make this more manageable for families, we have streamlined the residency re-establishment process. We greatly appreciate your assistance and understanding. This process is one of the safeguards used by the Milton Public Schools to ensure that **all** students enrolled in our schools are residents of the Town of Milton. We recognize that the re-establishment process may be an inconvenience for families but hope that residents understand that this is a valuable tool to protect the taxpayers in the Town of Milton.

By **May 15, 2023,** you will receive an email from No Reply Address with Re-establishment of Residency as the subject. Please be on the lookout for that email as it will give you access to upload your documents. In addition, there is a package attached to this email that will give you guidance as to the required documentation.

If you are unable to upload the required documentation, please put all necessary documents in a sealed envelope and place them in the lockbox which is located outside the main entrance of Milton High School.

Re-establishment of residency documents must be submitted no later than **May 31, 2023,** to ensure a student's placement in grade six (6) and/or grade nine (9) at their school.

If you plan on not sending your student to Milton Public Schools for the next calendar year please email us at residency@miltonps.org.

If you have any questions or need further information regarding the process, please contact Ms. Burke at 617-696-4470 ext. 5516 or at sburke@miltonps.org,

Thank you again in advance for your cooperation.

Sincerely,
Dr. Garth McKinney
Acting Superintendent of the Milton Public Schools
