

IBDP Online Course

Student Engagement and Expectations Agreement

Dear Students and Parents,

At Panyaden, we value offering our students the broadest selection of courses we can. To this end, we have partnered with Pamoja Education (pamojaeducation.com), the sole educational organization licensed to offer full IBDP courses online. As part of their services, Pamoja will provide all resources and materials, lessons, assignments, assessments and grading. Pamoja course time will be scheduled by Panyaden in the same way that all IBDP courses are- the students will have sufficient time in their regular schedules to successfully complete the program. Panyaden will have a Pamoja Coordinator on site who is responsible for the implementation of the program and for checking student progress.

Success in a Pamoja online course requires that **students take responsibility for their own learning**. They must **stay organized and consistently complete assignments**. They must **participate in group projects and meet with their Pamoja teachers** when requested. It is important to note that although all Pamoja teachers are highly trained and qualified, they are **not contracted employees of Panayden International School**. As such, they will not be available to meet or communicate with parents, nor is Panyaden in a position to alter the course or the way it is taught in any way.

In choosing to take a course through Pamoja, you are acknowledging that you understand these expectations, and you accept responsibility for your own progress, engagement, and ultimate success in these courses. Panyaden will do everything possible to support you in your journey, but **ultimately the final results are determined by Pamoja and Pamoja only**.
