

# 2025 Dairy Goat Interview Champions and Finalists

Animal Science Interviews at the State Fair are designed to further enhance educational opportunities for young people exhibiting livestock. The interview process offers a visual philosophy of recognizing 4-Hers who have utilized their livestock project to grow and develop as young people. Livestock Interviews emphasize many life skills such as communication, responsibility, decision making, and problem-solving. The interview process is seen as a step to help insure the stability of youth livestock shows as a positive form of youth development.

**Interview Champions** receive a chair sponsored by the Minnesota Livestock Breeders Association.

**Interview Finalists** receive coupons redeemable at the Gopher Dairy Bar and Northwest Designs.
