Walnut Oil

In ancient Egypt, Walnut Oil was treasured by Cleopatra. The oil's moisturizing properties were incorporated into her legendary skincare regimen, highlighting its ability to nourish and rejuvenate the skin. In India, Ayurvedic practitioners embraced Walnut Oil's skin-nourishing properties, incorporating it into holistic beauty rituals. This carrier oil became synonymous with the pursuit of timeless beauty and well-being.

Today, Walnut Carrier Oil caters to contemporary skincare needs as a versatile emollient, addressing dry, aging, or irritated skin with a touch of luxurious hydration. In aromatherapy, Walnut Oil is also believed to act as a balancing agent for the nervous system. Its delicate fragrance creates a serene ambiance, bringing a touch of richness to your wellness practices.

Botanical Name: *Juglans regia*

Obtained From: Nuts

Origin: France

Extraction Method: Cold Pressed

Processing Type: RBD (Refined, Bleached, and Deodorized)

Color/Consistency: Pale yellow to yellow liquid. Typical and characteristic of carrier oils.

Benefits

Nutrient-Rich Formula: Walnut Carrier Oil is packed with essential nutrients such as Omega-3 fatty acids, antioxidants, and vitamins, promoting healthier skin.

Nourishes Scalp: The moisturizing properties of Walnut Carrier Oil nourishes the scalp, addressing issues like dryness and flakiness. The result is a healthier environment for hair to thrive.

Lightweight Texture: Walnut Carrier Oil has a light and non-greasy texture, making it an ideal choice for massage, ensuring a smooth and comfortable application.

Sustainable Sourcing: Sourced from reputable suppliers, our Walnut Carrier Oil is produced sustainably, aligning with our commitment to environmental responsibility.

Directions and Uses

- **Makeup Remover:** Experience the gentle yet effective makeup removal by using Walnut Oil in a double cleansing routine. Apply a few drops onto a cotton pad and sweep it across your face to dissolve makeup.
- **Nourishing Hair Mask:** Create a luxurious hair mask by blending Walnut Oil with your favorite hair treatment. Leave it on for an hour or overnight for an intensive conditioning experience.
- **Aromatherapy Blend:** Elevate your massage experience by adding a few drops of your preferred essential oil to Walnut Carrier Oil. Customize the aroma to suit your mood, creating a sensory-rich massage session.
