28	29 No Current Events	30 Stevie Lexi	May 1 Jessica Matthew	May 2	May 3	May 4

Choose a Local, National, **or** International Current Event to report to the class this month. Use a current event paper from the back of your homework folder to help you prepare; then staple it to the article you got your information from. **Please carefully read the Current Event Instructions found on the pink page in your homework folder.** Websites are available on the class blog for student-appropriate articles. Students are welcome to print articles at school.
Good luck!
