

May 24, 2019

Dear Parents,

Our final auction of the year is quickly approaching. The next auction is scheduled for the last week of school. Auctions have been successful due to your generosity and support. If you can donate items for our final auction, we would greatly appreciate it. Our theme for the final auction is **"Summer Fun"**. Past donations have included: frisbees, water toys, beach towels, flip-flops, ADL t-shirts, movie theater passes, ice cream fixings, water noodles, beach hats, treats and more. Items can be brought in anytime before the last week.

We have been so appreciative of the tremendous support and kindness shown this year. The students are enthusiastic about our final event.

Please e-mail or call with any questions or concerns that you may have.

Warm regards,

Melissa Coviello & Barb Auch
