PROJECT EVALUATION: What preparation was involved? What was done at the project? Was the project successful? Should we do the project again? Please feel free to add any other information. Please write on the back of this paper! ☺

There was no preparation done by key club members. KTA staff had tables and materials ready to use. We set up the cups and tray while the other station cooked pizza in a mini pizza oven that was set up by KTA staff. We gave out samples and told people about the sales happening. This was a successful project and we should do it again!
