

**Information for Students, Parents/Carers at Bexleyheath Academy**

**Year 11 Infotech | Term 2 Homework Overview**

Students will explore how comic strips are made to tell a story and develop skills in creating their own comic strip. Students will then be able to evaluate its suitability for a client.

Week	Exploration Question(s)	Activities
1	Who is my comic aimed at?	R084 Assignment Task 3 - Creating the multi page comic strip
2	How do I write a story and script for a comic?	R084 Assignment Task 3 - Creating the multi page comic strip
