

Subject: Join Us in Supporting Active Transportation and Public Spaces: Play TranspoBINGO!

Dear [Elected Official's Name],

I hope this message finds you well! I am writing to encourage you to participate in this year's **TranspoBINGO**, a weeklong game from **Feb 27 - Mar 6** that challenges participants to explore public transit options, take new trips, and engage with public spaces.

TranspoBINGO is more than just a fun activity; it's an advocacy tool designed to encourage our elected leaders and agency representatives like you to stretch your use of people-powered modes of transportation. *By experiencing our transportation networks firsthand, you'll gain a deeper understanding of both their strengths and challenges, just like the residents who rely on them every day.* Playing TranspoBINGO will also demonstrate your sustained commitment to improving public transit, public spaces, and infrastructure by engaging with the city's transportation realities in real-time.

The current political climate makes local leadership and action in support of our communities and values even more critical. By participating, you'll amplify important conversations about the future of transportation, the need for meaningful action on climate change, and the ongoing necessity of protecting DC's home rule. TranspoBINGO provides an opportunity for you to lead by example, showing your dedication to creating a more inclusive, sustainable, and connected city for all.

For more information and to sign up for the game, please visit www.transpobingo.com. I hope you'll join me in playing this year's game, share your experiences, and contribute to our ongoing efforts to build a more equitable transportation system and public spaces for everyone.

Thank you for your time and continued leadership.

Sincerely,
