

KENNYDALE PTA REQUEST FOR FUNDING

Do you wish to fund something that would benefit children? Please fill out this form and submit it to the PTA for review at the next PTA Board Meeting. Better yet, come to the meeting, request the funding in person, and make a personal and passionate plea to the Board on what and why this funding should be!

1. What is the item that you request to be funded by the Kennydale PTA?
(Please be specific. e.g. three red 16-inch Voit balls)
2. How much money is required to purchase the item(s)? From where? Please list the providers that have been contacted and what the price ranges are for the requested item(s)? Please break down the estimates to include shipping, handling, tax, etc. and include a total amount.
3. For what purpose is this item to be used? Explain how the item(s) being purchased will be used within the curriculum.
4. How will this item be used to benefit the welfare of children?
5. Would any teacher be able to use the item(s) in their curriculum the same way you will?
6. Will the Renton School District need to support this item in any way? How? (e.g. the computers bought from this request for funding will require that additional electrical service be added to the building where the computers will reside)
7. Will the item(s) require any special maintenance? If so, how will that be accomplished?
