### End of Year Activities and Calendar:

#### Eschool:

- a.) I will be putting in all of the remaining assignments for the semester in Eschool and making them active. That means they will look like ZEROS until you do them.

- b.) This way you will be able to see what it will take to get to sufficiency (75%) passing. I highly encourage you to keep working past this point. It can only help prepare you for next year.
- c.) If you are going for Proficiency, you will need to have “P” (Proficiency) scores in 3 of the 4 areas/skill (reading, listening, writing and speaking). There are 4 assessed tasks for each area. You must be Proficient in 3 of the 4 tasks in a specific skill to be proficient in an area.
