Do you have unneeded medication at home?

According to the Partnership for Drug-Free Kids, two-thirds of teens who misused pain relievers in the past year say they got them from family and friends and from home medicine cabinets.

Safe disposal makes medicines less available.

FREE disposal boxes are available 7 days per week, 24 hours per day and are in the lobbies of the police departments in Faribault, Northfield, and Lonsdale as well as the Rice County Sheriff's office. For more information and for a list of local pharmacies with disposal boxes, visit ricecountycmhc.org/disposal

¿Tiene medicamentos que ya no necesita en su casa?

Según la Partnership for Drug-Free Kids (La Asociación para Jóvenes Libres de Drogas), dos tercios de los adolescentes que usaron calmantes de dolor en forma indebida durante el año pasado dicen que las obtuvieron de familiares y amigos y del gabinete de medicinas en su hogar. Las medicinas están menos disponibles cuando se desechan de manera segura.

Cajas GRATUITAS están disponibles los 7 días de la semana, las 24 horas del día en los vestíbulos de los departamentos de policía en Faribault, Northfield y Lonsdale, así como también en la oficina del Alguacil del Condado Rice.
