

Monthly Meeting Tuesday, March 24th 7pm
115 Hillcrest Ave, Yorkville, IL. - Lower Level

KAG Member Trish Kinnavy will lead a workshop creating Ukranian Easter Eggs, a long-standing tradition in her family as well as a beautiful form of art.

A pysanka is a Ukrainian Easter egg, decorated with traditional Ukrainian folk designs using a wax-resist method. The word pysanka comes from the verb pysaty, "to write" or "to inscribe", as the designs are not painted on, but written with beeswax.

Poetry & Art Night - April 30th 7pm Yorkville Public Library - 902 Game Farm Road

The Yorkville Public Library and the Kendall Arts Guild are partnering to bring the community an evening of poetry and art during National Poetry Month, April 2020.

Local poets have created poems and been paired with local artists, who will create a piece of work inspired by the poem. The night of the event each poet will read their work and the artist will reveal their piece of art. Light refreshments will be served after the readings and the poets and artists will be available to discuss their creations.
