

2021 PSAT NMSQT Information

Glenbrook South High School will provide the opportunity for interested junior students to take the PSAT/NMSQT on Wednesday, October 13, 2021. The PSAT/NMSQT is a 2 hour and 45 minute test that measures the reading, mathematics, language, and writing skills essential to college-level work.

The PSAT/NMSQT serves two main purposes:

1. It is a practice test for the SAT. Glenbrook South will administer the SAT to all juniors on Wednesday, April 13, 2022. (Please note that scores earned on the PSAT/NMSQT are not used as criteria for college admission.)
2. The National Merit Corporation uses the PSAT/NMSQT as the qualifying test for all students who wish to participate in its nationwide scholarship competition. Students who score in the 99th percentile of the PSAT/NMSQT qualify for this scholarship competition.
