

WYOMISSING AREA

SCHOOL DISTRICT

Dear WAJSHS Families,

It is a pleasure to welcome our students and families to the 2026-2027 school year. I am honored to continue serving as Acting Principal of Wyomissing Area Junior/Senior High School this year.

As we begin the school year, our goal is to help every student reach their potential. We want our students to feel supported, challenged, and proud of what they accomplish this year. We are fortunate to have outstanding students, dedicated educators, and supportive families, and I look forward to working together to make this a successful school year.

I would also like to introduce the members of our building administrative team. Mr. Jason Zeigler, Dr. Ginger Johnson, Dr. Jennifer Mangold, and I are excited to begin the school year and are here to support our students, families, and staff in any way we can.
