How students will be graded on academics

Grade	Percent Range
A	90 - 100
B	80 - 89
C	79 - 70
D	69 - 60
F	50

- If a student has Insufficient Evidence marked for any of the standards at the end of the semester/course a student may receive a failing grade. Students will be given an opportunity to submit evidence for two weeks following a unit of study.
- However, if the student does not provide required evidence, they will be entered into standard recovery during the summer to complete the necessary work to receive a credit for the course.

Reporting Learning Behaviors

- Grades are based solely on achievement of standards. Non-academic indicators, such as behavior, are essential but communicated separately.

Performance Levels for reporting learning behaviors:

- MET = Meeting
- PRG = Progressing
- BEG = Beginning

Assessment Information

- Students will be given an opportunity to reassess according to district guidelines.
- All Topic assessments will be given using enVision resources.
