

December 13, 2023

On 10/23/2023 CCSD Bus # 10 was involved in an accident. The bus rolled over onto the Driver's side. As a result of the accident the Insurance company ruled the bus a Total Loss.

The Bus was a 2018 IC 65 Passenger Diesel with approximately 85,000 miles on it. The insurance company settlement on the bus will be \$81,500.00.

I had contacted Hoglund Bus about a replacement. I was informed the quickest we can get a new bus was to purchase one of their stock units which will be available in April.

The new replacement bus will be a 2025 IC 77 Passenger Diesel. The price on this bus is \$143,000.00.

The balance to be paid would be \$61,500.00.

I have discussed this with Dr Berlau.

I would like to recommend CCSD purchase the 2025 IC 77 Passenger Diesel bus to replace Bus #10.
