The Board President will also open to members of the public joined by telephone separately since they do not have access to the chat feature. The Board President will also open to members of the public that are attending in-person separately.
- Any question or comment during the first public comment session that does not pertain to an agenda item will be held for the second public comment session.

- In accordance with Board Policy, each member of the public will be limited to three (3) minutes in order to allow sufficient time for all members of the public to speak.
- Public comment is normally reserved for comments only. However, in certain cases, the Board President may allow questions to be asked and for the Superintendent to respond.
