

Hello! This rule/script/design sheet is for my latest MAP, Twin Sized Mattress. Feel free to take a look, see if you wanna join!

Rules-

- 1- I'll be pretty strict with this, and if I don't reply you didn't get the part. But if you're interested in the MAP, please still ask!
- 2- Make your part fullscreen.
- 3- No watermarks.
- 4- Follow script/designs!
- 5- This is mostly an AMV map, but there will be three kinds of parts: AMV, PMV, and Your Choice. The script will tell you which corresponds with a part.
- 6- No copying.
- 7- If you wanna do a part but don't have time, I will be more than happy to collab with you.
- 8- If you read the rules, say the lyrics in your part.
- 9- I'm willing to make exceptions for some rules. I may extend the deadline or let you go off script, but just ask.
- 10- Get your part in within 2 weeks. If you miss this, I'm fine with it AS LONG AS you keep in touch with me. Keep me updated and tell me your progress frequently and I'll keep you in. If you're inactive then your wasting everyone's time and will likely be kicked.
- 11- I will wait 1 day before picking parts. Edit- never mind I have 0 self control
- 12- Anytime the setting is the Dark Forest, background's black and everyone has dark red lines. Keep the opacity at 100
- 13- From parts 1-7 Ivy DOES NOT have a scar on her shoulder. In 7, she gains one. From that point on, THERE IS A SCAR.
- 14- Make it flow. Make frequent wips with background sketching and follow the WIPs before yours. You can even coordinate with the people before/after you.
- 15- Don't add lyrics, even for the PMV parts
- 16- News flash, I go to school if I don't respond ABSOLUTELY IMMEDIATELY, I'm just at school or sleeping (my school murders anyone who's so much as seen with a rectangle in their pocket)

Script-

1 (AMV)

This is for the lions living in the wiry broke down frames of my friend's body.

Ivypool in blackness (dark red lineart), leaping up with claws out and teeth bared. Go to Ivy sleeping with a gash on her side and Dove looking worried.

2 (AMV)

When the floodwater comes it ain't gonna be clear it's gonna look like mud.

Dove lipsyncing worriedly. For mud, the screen turns to Ivypool drowning in murky water.

3 (AMV)

But I will help you swim. I will help you swim, I'm gonna help you swim.

Dove lipsyncing.

4 (PMV)

Instrumental

Show Dove and Ivy starting off as kits and turning into apprentices. Dove repeatedly turns up at camp after hunting expeditions with prey, while Ivy does not and is jealous.

5 (Your choice)

This is for the snakes and the people they bite

Show Hawkfrost (black backdrop, red lineart throughout the part) and then zoom out to show him looking at Ivy with a smirk on his face, ready to attack.

For the friends I've made, for the sleepless nights

Show something with Blossomfall and Ivypool friendship.

6 (AMV)

For the warning signs I completely ignored

Dove looks at Ivy (just woke up, deep wounds) and looks mildly suspicious, but Ivy shows it's not a big deal.

There's an amount to take, reasons to take more

Show Dove in the den then Ivy, thinking the same thought in the dark forest (blackness)

7 (Your choice)

It's no big surprise you turned out this way

Dovewing thinking regretfully (Can be in the den or fighting practice, whatever floats your boat).

When they closed their eyes and prayed you would change

Hawkfrost and other dark forest member of choice shaping up Ivypool. She gains a scar on her shoulder.

8 (AMV)

And they cut your hair and sent you away

Find a way of displaying that there's no going back for Ivy, she's full dark forest now.

You stopped by my house the night you escaped

Ivy wakes up in apprentice den to find Dove staring at her

With tears in my eyes I begged you to stay you said

Dove pleading for Ivy to stop going, etc.

9 (AMV)

Hey man I love you but no **ing way!**

Ivy lipsyncing to Dove, bring on the intensity!

I'm sure that we could find something for you to do onstage,

Dove still trying to convince Ivy, but to no avail.

10 (AMV)

Maybe shake a tambourine or when I sing you sing harmonies...

Dove is still trying. The camera zooms out and the audience sees that Ivy's already left the den.

11 (PMV)

Instrumental

Montage of Dove being praised by Firestar and the other Two and Ivy being jealous.

12 (Your choice)

Instrumental

Ivy storms away from Dove, who doesn't even seem to notice and goes to sleep determinedly.

13 (Your choice)

This is for the lake that me and my friends swim in naked and dumb on a drunken night

Shots of Ivy hanging around the Dark Forest

And it should'a felt good but I can hear the Jaws theme song on repeat in the back of my mind

Someone leaps on Ivy, fighting and stuff.

14 (AMV)

Make sure ya kiss your knuckles before you punch me in the face

Beetlewhisker lipsyncing to Brokenstar, obviously sarcastic.

There are lessons to be learned, consequences for all the stupid things I say

Beetlewhisker killed by Brokenstar, Ivy alarmed.

15 (AMV)

And it is no big surprise you turned out this way. The spark in your eye, the look on your face

Ivy is looking at Dove scornfully, do something with The Three, jealousy, ya know.

I will not be late!

Ivy lipsyncs angrily, not to dove's face, but watching from a distance.

16 (AMV)

I'm sure that we could find something for you to do onstage, maybe shake a tambourine, or when I sing you sing harmonies

Cut to Dove helplessly trying to convince Ivy to leave the Dark Forest.

17 (AMV)

I wanna contribute to the chaos! I don't wanna watch and then complain. Cause I am through finding blame. That is the decision I have made!

Ivy responding angrily.

18 (Okay this one switches from PMV to AMV when the lyrics start) (also sorry this one's really long only pick it if you're really committed or maybe just ask me to take the instrumental bit)

Instrumental

Ivy looks around the Dark Forest, and when the music speeds up they start fighting.

She hopes I'm cursed forever to sleep on a twin sized mattress in somebody's attic or basement my whole life (Start AMV)

Ivy looks at Dove, and she turns away looking disgusted. Turns to the Dark Forest, and, with a horrified look on her face, she realizes finally that she's made a mistake.

19 (AMV)

Never graduating up in size to add another

I guess this is your excuse to have some IvyxBlossom shippage lol

And my nightmares will be nightmares every night, oh every night, every night.

Dark forest fighting, Ivy really regrets her decision.

Designs: <http://warriorsproject.tumblr.com/>

Woop woop i save so much design time with this link i recommend it for you whenever you want to do a warriors animation lol
