

"Imagine"

by John Lennon

*Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today...*

*Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace...*

*You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one*

*Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world...*

*You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one*

Response Questions

**1 - Would following Lennon's ideals expressed in this song result in a utopian society?
Explain why/why not.**

2 - How does Lennon's possible utopia differ from More's original description of Utopia?

**Which society do you think would be more likely to produce a utopian society?
Explain your response.**
