WiFi "Pit Stops" in Clark County

For Students & Families of Clark County Public Schools

The Clark County Public School district is extremely grateful for the local businesses, churches, and civic organizations who have partnered with us by assisting our students and families with internet access! The list below will be updated regularly, as more organizations continue to participate and as more access points become available.

————

- Please respect each facility's requirements listed below, regarding days, times, numbers of students, and social distancing/masks.

- Please respect each facility's requirement of "Parking Lot" or "Inside Building". For Parking Lot locations, you may want to park close to the building!

- Students are legally liable for damage caused - please review the Student Agreement Terms here
