

I hope I don't get sick!

1. Without googling - how would you define illness. You cannot use the word "sick."
2. List all the causes of sickness that you can think of. Try to think of 10. Hint: please don't write down illnesses themselves but the causes.
3. Can you put these causes into categories?
4. What categories of illness have you experienced?
5. Some vocabulary to define: no googling - just what you think.
