

Proposal of Organizing a Special Session in the 2026 International Conference on Fuzzy Theory and Its Applications (iFUZZY 2026)

Title

Title of the proposed Special Session.

Main Organizer / Co-Organizer

Provide complete address/affiliation, phone, e-mail, and biography.

The main organizer will be the primary contact person to whom all correspondence will be sent.

Keywords

Specify 3 to 5 related keywords.

Brief Description (200-250 words)

Provide a brief description of the proposed Special Session.

The proposals must be submitted through cctsai@nchu.edu.tw (link sends e-mail) (Prof. Tsai) by the due date. The proposals are reviewed by the iFUZZY2026 program committee. For the accepted proposals, the organizers are responsible for moderation of the session at iFUZZY2026, serving as the Session Chair. The deadline for paper submission is the same as those of regular sessions, and the accepted papers will be included in the conference proceedings.
