Abstract

The abstract should consist of 150 up to 250 words. It covers objectives of the study, data/object of analysis, methodology and results

Keywords: maximum four words

JEL: A11, A13

A. INTRODUCTION

It covers the study's background, motivation in writing the paper, problems, a brief literature review that relates directly to research or previous findings that need to be developed and ended with a paragraph of research purposes.

B. LITERATURE REVIEW

This section provides a literature review conducted on this research. The literature reviews require at least 15

C. RESEARCH METHODS

This section contains at least a description of article writing methods such as data collection techniques, data processing techniques and variable measurement. The equation should apply

the Microsoft equation, not the cropping file or image.

D. RESULTS AND DISCUSSION

This section contains a discussion of the results of the studies that have been done. The works and discussions are written systematically and critically, following good English.

Tabel 1. Spending on Local Budget During The Decentralization

Sectors	Nominal (Rp)	Percentage	Total
Health	115	2	3
Education	39	2	3
Agriculture	17	2	400

Source: Ministry of Finance, 2018

Source: Ministry Industry, 2016.

Figure 1. Growth in Sector of Industrial and Pharmacy

E. CONCLUSION

It should illustrate the study's quick and straightforward results, contributions to new theories, and new ideas for future research. Here, the theoretical and practical implications should be written in paragraphs

F. REFERENCES

We encourage you to use the references application (Mendeley/ Endnote/ Zotero).

APA (American Psychological Association) reference style is required.

NOTES

1. The manuscript should contain 5.000 – 10.000 words
2. Paper 4A with 1,2 spacing.
3. Image or table should not be cropping file.
