Christ the Redeemer  
El Greco's Christ the Redeemer is a powerful image of the Christ figure, seated and gesturing with his right hand. The Christ figure is depicted with long, wavy brown hair and a beard, looking directly at the viewer with a serene expression. He is seated, wearing a vibrant red tunic under a flowing blue mantle. His right hand is raised in a gesture of blessing, with the thumb and two fingers joined. His left hand rests on his lap. A bright, circular halo surrounds his head, set against a dark, atmospheric background. The painting is housed in a simple, dark wooden frame with a decorative inner border.
