	 Only see interventions they are 	Can create templates for self
	assigned to	•CANNOT ACCESS SETTINGS
MTSS Interventions Publisher	Can create intervention from a	•CANNOT EDIT TEMPLATES
	public template	•CANNOT ACCESS SETTINGS
	 Only see interventions they are 	
	assigned to	
MTSS Interventions Browser	•See interventions, see data which	•CANNOT SEE OR EDIT TEMPLATES
	they are assigned to	•CANNOT ACCESS SETTINGS
	•CANNOT CREATE INTERVENTIONS	

New role added: MTSS Interventions - Access to All Students

Revised: 10/21/2025

AL - PowerSchool

Use the Access to All Assigned Students option for the roles to allow access to all students assigned to an intervention regardless of the staff's permission to the students.
