

Dear Incoming 6th Grade Families,

Welcome to Diablo Vista Middle School!

Have you been meaning to complete SRVUSD's volunteer clearance process but haven't had the chance yet? Whether you are new to SRVUSD or an existing family, we have a great opportunity to make it easy and convenient!

As part of our **Incoming 6th Grade Parent Night and Open House** event on Thursday, **May 7th from 5:00–7:30 PM**, the PTSA has arranged for a fingerprinting event on campus for parents and guardians.

Fingerprinting is one of the biggest steps in becoming a cleared school volunteer and this is a perfect opportunity to take care of it early so you're ready to get involved right from the start of the school year.

Our mobile fingerprinting service will be available on-site during the event, making the process quick and easy while you enjoy exploring the campus and meeting the DVMS community. Normally it costs around \$90 and requires a separate appointment off campus, but during this event families can complete fingerprinting right here at school for just \$37. **Sign up here:** [DVMS Fingerprint Event](#)

Spots are limited, so please sign up in advance to reserve your time!

While you'll still need to complete the remaining district clearance steps on your own, this event makes the process faster, easier, and more affordable!

SRVUSD Requirements for General Volunteer Clearance

All volunteers must complete the following:

1. Register and complete the Volunteer Online Application at [BeAMentor.org](#)
2. Fingerprinting (Live Scan)
3. TB Clearance Verification
4. Completion of Mandated Reporter Training and Sexual Harassment Prevention Training

For full details on **SRVUSD Volunteer Clearance and Requirements**, please review the document [here](#).

Getting cleared early means you'll be able to participate in the many exciting opportunities to support our students and school community throughout the year, from classroom help to field trips and special events.

Thank you for supporting our students and helping make our school community strong. We're excited to welcome you to DVMS!

Warmly,

DVMS PTSA
