

Last Updated: January 13, 2026

At FlowSignal ("we," "us," or "the app"), we value your personal privacy. This Privacy Policy explains how your data is collected, used, and shared when you use our mobile application.

1. Information Collected Our app may collect the following types of information to improve service quality and fulfill basic functions:

- **Device Information:** Device model, operating system version, and unique device identifiers.
- **Usage Data:** Your interactions within the app (such as which signals are viewed) may be analyzed anonymously.
- **Subscription Information:** Purchase history and subscription status to provide access to premium features.

2. Third-Party Services We use trusted third-party service providers for the operation of our app. These providers have their own privacy policies:

- **Google Firebase:**
 - **Firebase Cloud Messaging (FCM):** We use your device's notification token to send you instant "Hot Signal" notifications.
 - **Firestore & Authentication:** Used to securely store your data and perform authentication.
- **RevenueCat:**
 - Used to manage in-app purchase and subscription transactions. Your credit card information is **not** stored by us; these transactions are handled entirely securely via the Apple App Store. RevenueCat may use an anonymous user ID to verify your purchase status.

3. Use of Data We use the data we collect for the following purposes:

- To provide and maintain our services.
- To send you instant notifications about important market movements.
- To manage your subscription status and provide access to premium content.
- To detect bugs and troubleshoot technical issues.

4. Data Security The security of your personal data is important to us. However, please remember that no method of transmission over the internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your data, we cannot guarantee its absolute security.

5. Children's Privacy Our services are not addressed to anyone under the age of 18. We do not knowingly collect personally identifiable information from anyone under the age of 18.

6. Changes to This Privacy Policy We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

7. Contact If you have any questions about this Privacy Policy, please contact us:
