

August 20, 2020

Beginning this school year, New Hampton Elementary will have a therapy dog named Pickle in one of the kindergarten classrooms. Because of COVID-19 precautions, no other grade levels will interact with Pickle currently , but it may happen in the future when it is safe to mix grade levels. If your child is allergic to dogs or has any fears or phobias, please email Miss Good at m_good@new-hampton.k12.ia.us or Mrs. Lansing b_lansing@new-hampton.k12.ia.us as soon as possible to make sure everyone is as comfortable as possible! Thanks for your cooperation and we look forward to this new adventure.

Sincerely,

Miss Good - Kindergarten teacher

Mrs. Lansing - Elementary Principal
