YOU'RE 18+

CW: Mentioned Vore
also (18+) (Duh)

This will be short but necessary

Summary: I accidentally rp'd with someone under 18, I'm apologizing for it, people deserve to know that about me. It won't happen again

Recently someone I had vore rp'd with was under the age of 18 when I boldly assumed they were 18+ (Due to the GC we were in)

I am heavily disappointed to learn that no one questioned that they were under 18, but honestly I don't know if they didn't even know if THEY were under 18 except for one person specifically

But overall this message is to say that I'm done making this one shitty mistake over and over, I'm done

In the past when I was 18 and early 19 I would make exceptions for people being like 17 and

still doing rps with them, because I was a fucking idiot, I'm done with that same mistake also, and have only done so when I didn't know, which again, is also my bad

I'm only writing this because people DESERVE to know the right of my fuckups, rather than finding out too late, and if people don't want to talk to me because of my fuck ups (assuming the worst that I'm some kind of pedo fucking weirdo) then they deserve the right to have that chance, I promise I am not, but judging from what I've said, it's understandable if they think otherwise

I am done, just had to let this out, sorry everyone, I've been trying my best but my best wasn't enough for this I suppose, which again is my bad

I'm not leaving or anything, I feel fine, just disappointed in myself, I will do better
