

## Student: Link to Google Classroom in Savvas

Steps a student takes to connect their Savvas account to their Google Classroom from a Classlink-rosterd class.

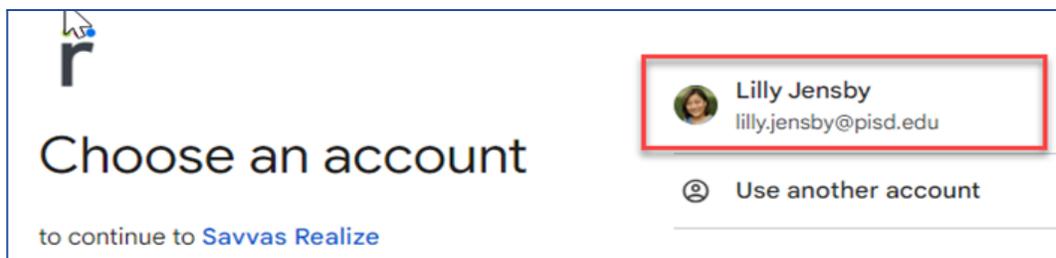

### 1. Launch Savvas tile from Backpack in Webdesk (Classlink)

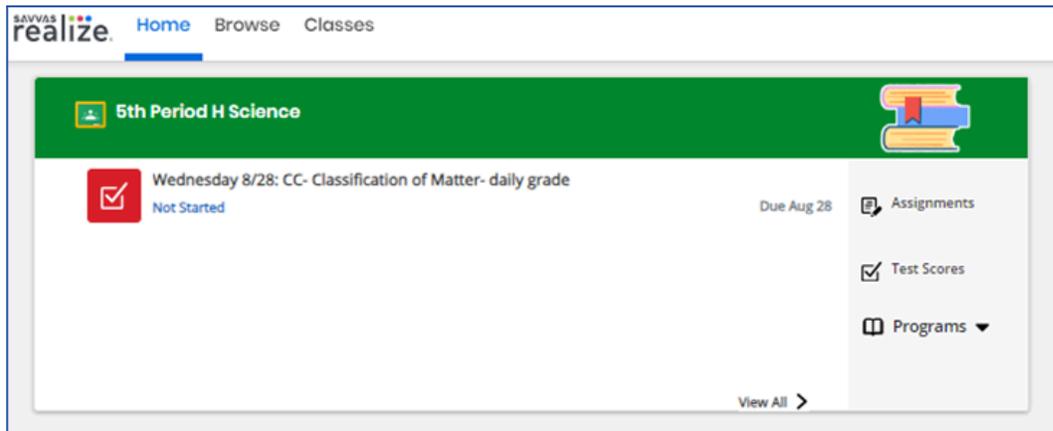

### 2. In Savvas, launch the textbook resource

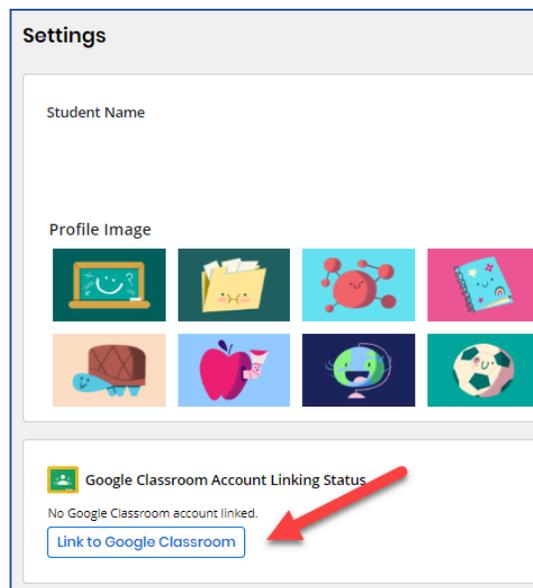

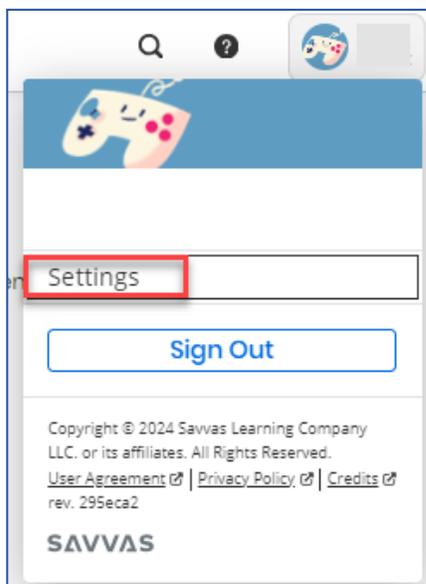

### 3. A Pop-up will appear to choose an account. Select school account.

### 4. Your class will appear in your Classes tab.

5. Click on Settings in the profile at the top right corner.
6. In the Settings window, click on “Link to Google Classroom.”

7. Alternatively, the student may receive a pop-up window with a “Link Accounts” button.
