

Discussion

Ask your child what they learned about oceans in this episode. Review the five oceans with them: The Pacific, The Atlantic, The Indian, The Arctic, and The Southern. Talk about which ones they've seen if any. Hopefully this episode piques your child's interest in oceans so that they can engage in learning more.

Activity

Create your very own ocean!

Make your own version of Magborne's ship, The Jolly Leafer! Attach a big leaf to a popsicle stick and glue it to the point in the boat to make a fairy sail.
