

Pearce Robotics Electronic Communication Acknowledgement & Approval Form

PRINTED Student Name: _____

Pearce Robotics uses an internal communication platform called Slack. We use this for group chat & communication and task assignments. RISD (Richardson Independent School District) Employees (Teacher Sponsors) and Approved Non-RISD Employees (Team Mentors) will be in the chats/forums for the purpose of robotics business. All communication is logged and will be handed over to Parents, RISD Teachers, or an RISD Administrator upon request.

Per RISD Volunteer Guidelines, we need a parent/legal guardian's permission to communicate with your student in this manner.

- I acknowledge that my student may use the Pearce Robotics Electronic Communication Platform (Slack).
- I acknowledge that the adult volunteers and teacher sponsors may communicate with my student over approved electronic communication platforms.
- I acknowledge that I have been informed that this platform is moderated and monitored by the adult mentors and the teacher sponsors. All communication adheres to the RISD Student Handbook and Code of Conduct.
- I consent to my student's communication being logged and reported upon RISD Administrator's request.
