- embroidered, stitched, or sewn models

[Design Guidelines for Digital Works](#)

Types of Digital Tools

- Google Apps
 - Google Docs: note-taking, writing, letters, scripts, books, etc.
 - Google Drawing: infographics, posters, newspapers, bulletin boards, comics, postcards, etc.
 - Google Sites: websites, museum displays
 - Google Slides: slideshows, timelines, picture books, journals, etc.
- Animated Slideshows and Videos
 - [mysimpleshows](#)
 - [PowToon](#)
 - [Prezi](#)
- Audio Slideshows
 - [Animoto](#)
 - [VoiceThread](#)
- Comics or Storyboards
 - [Make Beliefs Comix](#)
 - [Pixton](#)
 - [Storyboard That](#)
- Newspapers
 - [MakeMyNewspaper](#)
- Posters, Bulletin Boards, and Infographics
 - [Canva](#)
 - [Glogster](#)
 - [Piktochart](#)
- Screencasts
 - [Screencastify](#)
- Stop-Motion Videos
 - [iMotion](#)
 - [JellyCam](#)
 - [Stop Motion Studio](#)
- Videos
 - [iMovie](#)
 - [WeVideo](#)
 - [YouTube](#)
- Websites and Wikis
 - [Weebly](#)
 - [Wikispaces](#)
- Word Cloud Generators
 - [WordArt](#)
 - [Wordle](#)

Types of Earth-Friendly Construction Materials for Models

— check your recycling bin, but **no styrofoam!**

- cardboard, cardboard boxes (cereal, crackers, etc.)
- clay, playdoh
- paper towel tubes, toilet paper tubes
- plastic containers, lids, and caps of various shapes and sizes (cylinders, dishes, cones, etc.)
- aluminum cans, aluminum foil, foil sheets (candy bars)
- recycled paper
- plastic wrap
- paper plates, paper cups
- watercolor or acrylic paints (**no spray paint**)
- metal pieces
- duct tape
- straws
- toothpicks, popsicle sticks, wooden sticks, q-tips
- wire hangers, paper clips, pipe cleaners, other wire
- string, yarn, cotton balls, fabric, cloth
- wood pieces and scraps

And no food, because we don’t want to attract unwelcome pests in the building...
