Welcome to Power Dialog- Solve Climate by 2030

National video and introduction to NYS's Climate Leadership and Community Protection Act (CLCPA)

Climate Solutions Panel webinar

Join us for a panel including **Assemblymember Patricia Fahy**, **Maureen Leddy**, Director of the NYS Office of Climate Change, and **Anne Reynolds**, Executive Director of the Alliance for Clean Energy to discuss the most effective yet feasible climate solutions we can enact in our state, how students can help “move the needle” on climate change actions and how climate justice is being addressed.

The webinar was broadcast live on April 7th. If you would like to view a video of the webinar, it is available [here](#). For more info, contact gogreen@albany.edu
