

## 2024 4-H Volunteer Service Award Record

Complete this form to track your service-learning hours. Community Service refers to efforts to help others and to improve your community. You can be participating on behalf of a community, religious, and/or youth organization. It can be an individual effort or with a group such as a school-based service learning project. This can include club projects, community events, fair activities, and 4-H Camp services. Examples of community service include singing at nursing homes, gathering supplies for the troops, volunteering at a local hospital, purchasing items for those in need, and anything that benefits the community for those who are not as fortunate. Things that would not count are fundraisers, unless all the proceeds are given to an organization like the American Cancer Society or the local homeless shelter that helps others, and neither you nor your 4-H club are benefiting from the service. As a reminder, teaching youth citizenship is one of the core goals of the 4-H program, so each club should be doing at least two community service activities annually. Hours must be completed during the 2024 calendar year.

## Return this completed form to the Extension Office by January 31, 2025.

"University programs, activities, and facilities are available to all without regard to race, color, sex, gender identity or expression, sexual orientation, marital status, age, national origin, political affiliation, physical or mental disability, religion, protected veteran status, genetic information, personal appearance, or any other legally protected class."
