SL: I have a gift for you [NAME]

I compounded BEST performing competitors in your niche to show you how you can apply 6 figures strategies and skyrocket your views...

Going straight forward simplicity in design makes it really easy for potential viewers to catch the eye.

At last, look how concise and well-structured the title is. “The Blueprint” adds curiosity to the whole process of defining a vehicle that will take the viewer on a path to “\$10.000”.

Last thumbnail got 1.9M views. If you want to achieve similar results in your videos, I can write you a FREE sample video with design, script and thumbnail and based on the results we can schedule a call and cover other major aspects...
