

Privacy Policy

Open World Era built the “INWYT” game as a Free game. This SERVICE is provided by Open World Era at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at “INWYT” unless otherwise defined in this Privacy Policy.

Information Collection and Use

Data collected from the user includes,

- Approximate location of the user
- User’s personal identifier
- User’s purchase history
- App interactions
- App diagnostics
- Device identifiers

The collected data will be used for activities like app functionality, analytics, fraud detection, advertising, security and compliance.

Service Providers

For advertising purposes, Unity Ads, Ironsource and Admob SDKs are being used.

For analytics purposes, Facebook SDK is being used.

For analytics purposes, Game Analytics SDK is being used.

For Multiplayer Networking, Photon Pun SDK is being used.

For Audio Chat, Agora IO SDK is being used.

Security

I value your trust in using our services, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Advertisements

This game contains advertisements. If you click on an advertisement, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

In App Purchasing

This game contains facilities for purchasing digital goods which can only be used inside the game. Third party services may be used to carry out transactions.

Children's Privacy

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able to take necessary actions.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
