3. Land Acknowledgement
  - a. **The Choctaw Nation Reservation is part of the Caddo, Wichita, Pawnee, and Arikara homeland. The Shawnee and Quapaw had settlements here in the 1700s and early 1800s. The Osage and Kiowa visited the area. The Quapaw ceded the land that is now the Choctaw Reservation through treaty to the United States before the US ceded it to the Choctaw Nation. Shortly after the Trail of Tears, the Chickasaw lived here among the Choctaw. Through this land acknowledgement, we would like to remember those who came before us and whose land we inhabit.**
