"A Caring School Community Dedicated to Excellence"

September 28, 2020

Dear MCMS Students and Families

This letter is to follow up on the notification Superintendent Charette sent today. A middle school student has been reported as having a "probable positive" identification for Coronavirus Disease 2019 (COVID-19). There is a possibility that other staff or students came in contact with this individual and therefore may be exposed to the virus. **All students and staff who were considered a primary contact of this student have been contacted.**

We are informing you out of an abundance of caution. As always, please monitor yourself/your student for signs and symptoms. Call a health care provider if symptoms start. It is important that you call a healthcare facility before you show up in person. Stay home if you are sick.

The middle school will be going to remote learning beginning immediately through Friday Oct. 9. Students will return to school on Tuesday Oct. 13. The school will be providing breakfast and lunch for anyone in need, available for pick up on Tuesdays and Fridays, 2-3pm outside of the high school. This is available for every student. If you will need this everyday, please email either Jen Hall: jen_hall@maranacook.com or myself: kristen_levesque@maranacook.com

Below is the schedule we will be following for Remote Learning Tuesday, September 29th and Wednesday September 30th. **As all students will be remote learners, we are asking any student identified as an "At-Home Learner" to follow this schedule.** We will be sending out the remote learning schedule for October 1st through October 8th tomorrow afternoon. Friday, October 9th is a workshop day and students will not have remote learning for this day.

We know this has brought up many emotions and questions for all of us. At Maranacook Community Middle School, we are a caring school community and it is especially important to be respectful of each other during these challenging times. Please respect the privacy of all members of our school community by not discussing or speculating about who in our community may be positive for Covid19. The health and safety of all members of our community needs to be our top priority.

Respectfully,

Kristen Levesque, EdD
MCMS Principal

Tuesday September 29th: Remote Learning Schedule

- All work will be posted in Google Classroom.
- Appx. 50 min of work per period with a brief Google Meets for classes
