Under Construction

Lesson Six: Hammer & Nails

God can help us to overcome any obstacle!

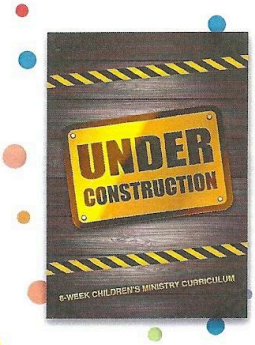

Craft: Nehemiah Builds the Wall Printable

When God gives us a task, he does not want us to leave it undone! God gave Nehemiah the strength to persevere and rebuild the wall around the city of Jerusalem. Print out an outline of the wall around the city and build a wall using mini marshmallows and frosting! This will be fun and messy, so make sure you cover the table and have a washing station nearby!

Under Construction Lesson 6

THIS WEEK'S LESSON: HAMMER & NAILS

IN THE CAR:

Ask your child what they learned about this week on the drive home:
You have the plans and the equipment, and you've done all the prep work. But at some point, you have to put hammer to nail and start building. Nehemiah and his workers faced tough opposition when they tried to rebuild the wall around Jerusalem. But Nehemiah never lost heart, and the work continued to completion. Nehemiah 4, Nehemiah Faces Opposition

HANGING OUT:

Make this week's lesson real:
Is there an unfinished project at home? Ask your kids to help, and see if you can knock that challenge out this week. Pray if you need to for the strength to finish the job!

AT DINNER:

Here are some great discussion starters:
- What obstacles did Nehemiah face in rebuilding the wall of Jerusalem?
- How did Nehemiah and the Israelites overcome these obstacles?
- Where can we find strength when we need it to overcome our challenges in life?

AT BEDTIME:

Quiz your child on this week's memory verse:
"If the Lord doesn't build a house, the work of the builders is useless." Psalm 127:1a (NIrV)

PARENT TIME:

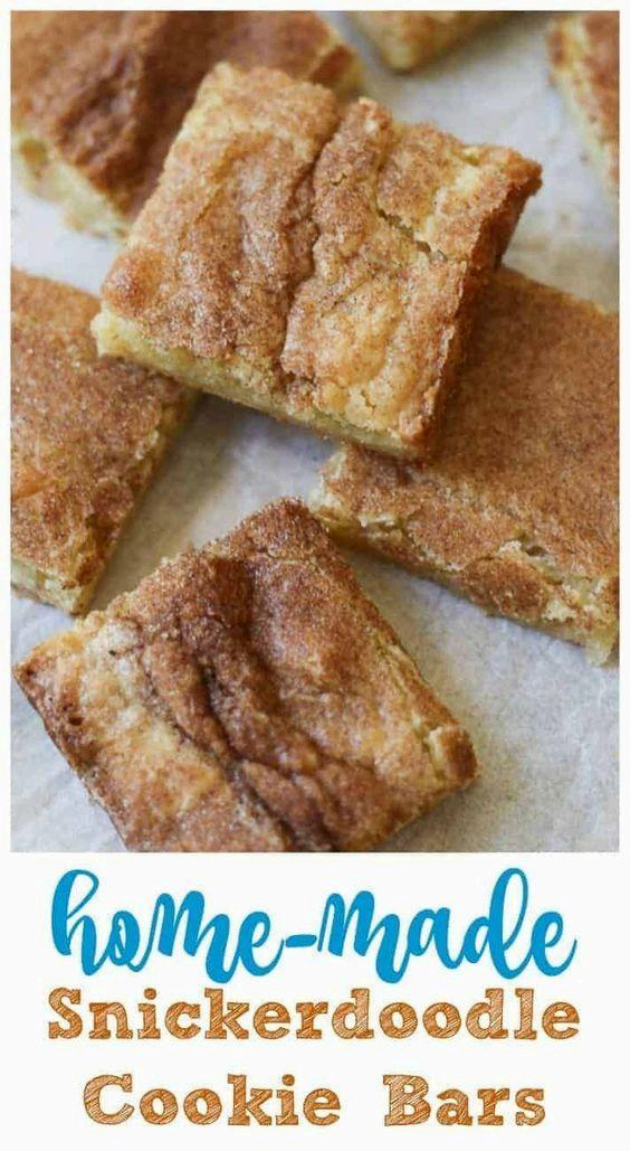

What you need to know:
Following God and completing the challenges He gives us requires perseverance. God doesn't want us to get discouraged and give up. If we pray for strength, God will give it to us, and He will help us finish the task at hand!
