WHEREAS, during the course of the hearing the Board heard from and considered information provided by the School District's administration, the student's parents and the student's grandparents, and subsequently determined that the student was not a resident of the Edgewater Park School District and could be immediately dis-enrolled therefrom; and

WHEREAS, the Board also determined that the student's family's circumstances might qualify him to continue attending the School District as an "affidavit student" if his parents and grandparents could meet the applicable legal requirements, and therefore directed the Superintendent of Schools to provide the student's parents and grandparents with information regarding the legal requirements pertaining to "affidavit student" status;

and

WHEREAS, the student’s parents and grandparents have since taken the appropriate steps and filed the required documentation with the School District to enroll the student as an “affidavit student” for the 2025-2026 school year; and therefore

BE IT RESOLVED that the Board of Education hereby concludes the residency hearing begun on May 27, 2025, by determining that student number 2589460161 may stay enrolled in the School District as an “affidavit student” for the 2025-2026 school year, provided that his parents and grandparents continue to meet the qualifications prescribed by law.
