If you want to use the priority signup system for your trial, please contact /u/Bamiji ahead of time.

IF YOU FIND ANY ERRORS IN THE ASSIGNMENTS, OR YOU HAVE A SPECIAL SCENARIO, PLEASE SEND A MESSAGE TO /u/Bamiji THROUGH REDDIT OR DISCORD.

+1 for never being in a trial before, an additional +1 for every failed sign-up attempt/entering the reserve course.

-1 for every consecutive trial you've been in for your current streak, starting with -1 for being in the immediate previous trial.

0 for not being in the last trial, but having been in one before.

Hosting/Monomi-ing counts as sitting out a trial for the purpose of sign-ups.

*If guaranteed slots are used for new people, then the priority sorting is applied to them as well in a separate list for new people. Those who don't make it in this way, are still considerable for getting in through their normal sign-up position.
