

Dear Mount Vernon School Community:

I hope that this letter finds everyone enjoying their summer and you have found some time to spend with your families so far. It's that time of the year where we are opening up our registration for the 2026-2027 school year. I want to take a moment to welcome our families, both new and returning, to what promises to be a wonderful year here at MVCSD! Registration is now open, and we encourage families to complete the process as soon as possible so we can ensure a smooth start for our students and families!

We ask that all families complete online Registration and pay their fees by August 14, 2026. Please let us know if there are any special circumstances which might make this difficult. Online Registration allows parents/guardians to register all students by using one family login. Parents pay school fees via InTouch online or by printing and returning a fee sheet (once online Registration is complete). Nutrition deposits will be done through the MySchoolBucks online payment system.

If you are a new family or you would like help registering your student online, please feel free to contact us at 319-895-8845. If you need any of the forms printed, please feel free to contact us.

Feel free to contact me directly if you have any questions or concerns that I may be able to assist with. My email address is mleeman@mvcasd.org. Enjoy the rest of summer!

Sincerely,

Matthew B. Leeman

Superintendent

Mount Vernon Community School District
